It is important for students commencing the HSC to be prepared with correct equipment and materials for their studies. In order to commence the HSC, it is an expectation that students purchase all prerequisite textbooks as well as the relevant equipment and material needed for their courses ready for the start of Term 4, 2016.

The College recommends that, in addition to textbooks, the following equipment and material be purchased:

### General Equipment and Material
- Summer/Winter Uniform
- Sports Uniform
- School Bag
- Laptop and protective case (hire/purchased through the College)
- Home access to Internet
