MISA Sport

Congratulations to all of our MISA representatives who competed in their first round against Broughton Anglican College last week. We had some extremely close results across the six teams. A special mention to Miss Brady and the Year 7 Netball team who came away with their first win of the season!

We would also like to congratulate the following students who were nominated as the Most Valuable Player for their team:

- Stevie Lee Willis (7-9 Girls Soccer)
- Cody Ral (7/8 Boys Rugby League)
- Alana Azzopardi (7 Girls Netball)
- Brooke Daley (8 Girls Netball)
- Nick Beavan (10 Boys Basketball)
- Cameron Almond (7-9 Boys AFL)

Mrs Melissa Pereira
Sport Coordinator

IMPORTANT NOTICE:
Backup and Recharging of Laptops

There have been several cases of hard drive failures in recent weeks. On more than one occasion the laptop had not been backed up regularly. This has resulted in the student losing much of the data that had been on the laptop. All students should plug in the backup drive that was provided with the laptop at least on a weekly basis. If you are having difficulties with the back up drive please see Mr Nichols.

Students should be prepared for classes each day with all the relevant equipment, including having their laptop fully charged. Laptops should be charged at home every evening.

YEAR 11 2015
INFORMATION EVENING

Wednesday 30 August
7pm
at the College
in the new Stage 2 buildings

NO RIGHT TURN - TRIAL

The No Right Turn sign that was installed as a trial at the front of the school on the exit to Oran Park Drive has been removed. The trial has not seen a significant change in the traffic congestion and appears to be a cause of contention for some parents who choose to ignore it anyway. Hopefully into the future we will find other ways to alleviate the congestion, particularly at the end of the day.

Principal
St Justin's

Vinnies Winter Appeal

Only a few days to go to check your cupboards at home and bring in any warm clothing or blankets that you no longer use to donate to the Vinnies Winter Appeal. Donations are to be handed in during your child’s Academic Care time.

Thank you for your support so far.
