Subject Change Request Form  
(Return this form to your Academic Care Tutor)

This form is to be completed if you would like to request a change in your subjects. Your request will only be considered if it does not place the subject from which you plan to move in jeopardy and does not impact negatively on the class to which you plan to move.

The subject you wish to change from must be in the same line as the subject you wish to which you wish to change. In the subject lines on page 2, the subjects in grey have reached their full quota and you cannot change into them.

Since you need to complete a set number of hours in your senior courses, you will not be allowed to change subjects after Week 4 in Year 11.
