Year 7, 2017
Equipment and Material List

In order to commence Year 7, it is an expectation that students purchase all prerequisite textbooks, as listed on the Endeavour book order form, as well as the relevant equipment and material needed for their courses, ready for the start of Term 1, 2017.

The College recommends that, in addition to textbooks, the following equipment and material be purchased for the start of Year 7.

From the second day of Year 7, the students will need all of their A4 exercise books as they will be having normal lessons from this day forward. All exercise books must be A4 size. Please cover and label them appropriately to begin the school year.

*Please note, all exercise books are to be stapled, not spiral bound.

### General Equipment and Material
