REQUEST TO PAY BY INSTALMENT

Families may elect to pay school fees by instalment under the following conditions:

- The family must firstly complete a **Request to Pay School Fees by Instalment**.
- Families **only need to submit one request** as it can apply across all schools.
- **Families may have only one instalment frequency**. If the family has multiple accounts due to children at different schools, they may only elect one payment frequency eg fortnightly in both schools.
- There is no necessity to submit a new **Request to Pay School Fees by Instalment** each year as they continue from year to year.
- **The instalments must pay the school fee account in one school calendar year with an end date the first week in December**.
- On receipt of the **Request to Pay School Fees by Instalment**, an **Instalment Schedule** advising dates and amounts, will be generated by our accounting system and will be **available on your School Fee Statement each month**.
- If instalments are not paid as agreed and there is serious default, the school may withdraw the offer of payment by instalment at any time and all fees will be due and payable until such time as a further arrangement is agreed upon with the school.
