CATHOLIC COLLEGE

Dear Parents & Carers,

This is an outline of the level and purpose of fees for students attending St. Benedict's Catholic College in 2025. Government Funding covers approximately 80% of the recurrent costs associated with running a Catholic High School. The 20% "gap", plus loan commitments associated with building need to be met by parent contributions. A breakdown of the 2025 school fees is:

Tuition Fee	Teachers' salaries and the day to day running costs of the school (water, electricity, paper etc).
Building Fund	This is a contribution used solely for the repayment of loans on the school buildings (equivalent to a mortgage payment).
Technology Levy	This contributes towards the costs of maintaining technology hardware, software, and access to the internet and licenses.
Subject Resource Fee	This covers the cost of all other books and equipment which are purchased in bulk and issued to your child for their personal use. The alternative would be for you to purchase these items which would be at a greater cost. This also assists in covering the cost of other textbooks issued to your child.
Elective Course Fees	This goes towards offsetting the cost of consumables used by your child in practical courses e.g., materials used in timber.
Tuesday Sport Levy	The sports levy covers <u>most costs</u> associated with traveling to Tuesday sport and external coaches/instructors that visit St Benedict's Catholic College.
Parents & Friends Levy	The P & F Levy of \$100 per year replaces major fundraising activities for parents and carers. This allows the P & F to concentrate on special gatherings with an emphasis on community building, rather than fundraising.

PAYMENT OF SCHOOL FEES

All school fees are due **30 days after the invoice date** at the beginning of the year. Payment arrangements can be made to have accounts paid over the year, but this **must be arranged** with the finance office otherwise fees are expected to be paid in full by the due date. Statements will be sent monthly. Our preferred option for payment is BPAY however payments may be made in a lump sum or in installments (by arrangement). The school office has an EFTPOS machine available for payments from Savings/Cheque accounts and Credit Cards.
